day, in the way of dividend declarations and railroad reports, which should have stimulated speculation, but the buying power is so limited that on every raily the trading falls away to nothing. The marking falls away to nothing the marking falls away to nothing. The marking falls away to nothing th ket looked strong in the morning, and displayed rather an indication of weakness in the afternoon, but either tendency was so faint thut perhaps the terms, weakness and strength are too emphatic to use in a characterization of current speculation.

American Tobacco, common, monopolized attention, and about one-half of the total transactions were in that stock. The insiders concluded yesterday that it was time for buy for a turn. The shorts discovered this tendency, and a rally of three points.

Wisconsin Central lists, t. r., Baltimore & Onlo 59, 1028, 12, west Houston st. 200 auctioneers had sales, while at No. 59 Liberty street one auctioneer had quite a list of offerings.

In the main the sales were successful, the bulk of the offerings made by estates being knocked down to bona fide buyers. Sidding was slow, however, the speculative street one auctioneers had sales, while at No. 59 Liberty street one auctioneers had sales, while at No. 59 Liberty street one auctioneers had sales. St. West Houston st. 234; by the N. Low estate, of No. 208 Bieecker st. to two 3-story and base-morn brick dwellings and stores. In the bulk of the offerings.

BRISK BIDDING FOR STOCKS.

No One Was Willing to Sell Isabella Holdings Yesterday.

A curlous crowd thronged the rooms of that there was a good chance to secure bargains, it being generally supposed that the executors would let properties go without reserve.

Trading Was Limited, but Other Products Were Firm-Foreign Markets Were Active and Unchanged.

HOWING OF GOVERNMENT REPORT.

The Cotton Market Was Marked with Many Advances, and the Product Continued Strong -- Gossip of the Exchange.

On 'Change, Tuesday, March 10. Hebru The speculation in products to day was April imited in volume, and the variation in I prices was restricted, but the tendency was oward a lower range and due, brokers said, to the realization sales as much as October to any other special cause. The wheat peember options sold off %, and were 1/2 lower in prices, but closing prices were within 15 ment on the market: "The cables are disapof the opening. Corn and oats were dull, but prices were maintained, and provisions showed fractional advances for the day's trading. The volume of trading was rather limited, aggregating only 945,000 bushels of corn and 8,000 bushels of corn and 8,000 bushels of corn and 8,000 bushels of flour.

The Liverpool markets opened quiet and unchanged, and, according to the public cables, closed 3/46% lower, but some of the private advices marked them % to 1d. private advices marked them % to 1d. lower on account of the free offerings of Russian wheat, and said that all the Black Russian wheat, and said that all the Black on any breaks.

ment on the harkets opened to point; I thought they would come higher topoint; I thought they would come topoint; I thought they would come higher topoint topoint topoint the they would come admined they we must have something to give us a demand here to help prices, or we will gat no admined.

BAILROAD.

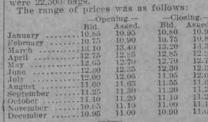

STATIONS of the opening. Corn and oats were dull, point; I thought they would come higher but prices were maintained, and provisions day, but the foreign markets don't respond

tempts by brokers with buying orders to Russian wheat, and said that all the Black hammer down the prices. The system of Sea ports were loading wheat freely for
